NAUGHTY TEENS HAVING IT OFF? WELL ALRIGHT THEN, IF YOU INSIST! WHY NOT DROP US A LINE IF YOU'RE A MUCKY TEENIE – OR IF YOU'VE JUST SCREWED ONE?!

DEAR TEENS UNTAMED,

My name is Craig; I'm 39 years old and (happily) divorced, enjoying the single life after far too many years of marriage.

I'd long been under the impression that my son James's latest girlfriend Selena was a dirty little tart when one afternoon the other week I was lounging about on my own at home when the doorbell rang. Answering, I was pleasantly surprised to see Selena standing on the doorstep. Selena is a gorgeous 18-year-old babe who possesses a slender build with a nice round pair of tits and shoulder length dark hair. She looked devilishly sexy in a low cut tight white mini dress that barely covered her tanned legs and thighs.

"Can I come in?" she smiled, and as she squeezed past me in the doorway she let out a little giggle as her firm little bum brushed against my quickly developing hard-on.

I attempted a few pleasantries, but Selena was having none of it, and, looking me right in the eye, she said, "We both know why I'm here. I've seen you eying me up when I'm round here with James, and no I've come to find out if you've got what it takes to satisfy a horny young girl. Let me see your cock."

I was flabbergasted, but before I could say anything, she'd stripped off her tight little dress to expose her ripe round tits. Next she rolled her pale blue panties down and off to show me her shaven pink pussy. Naked, bar a pair of slutty white high heels, mucky Selena lifted off my shirt. Kneeling in front of me, she smiled up at me as her nimble fingers undid my flies.

"Ooh yeah, nice big cock," she purred when my hard swollen erection reared up in front of her. I gasped as she began stroking and exploring it and rolling it around in her hand. Selena moved her mouth to my cock and I thrilled to the feel of her warm wet tongue licking up and down my veiny shaft and swirling around the bulbous purple helmet. Taking my knob into her mouth, she cradled my balls in her hand as she began to suck me off. As she moved her lips vigorously up and down my shaft I moaned in pleasure and ran my fingers through her shiny dark hair as she greedily gobbled my cock, bathing it in her warm saliva.

"Aah Selena babe, good girl," I sighed as she wanked the base of my shaft whilst she slurped on my pulsating cock. After just a couple of minutes the spunk was welling up in my balls as Selena's expert cock sucking technique brought me to my very limit. My whole body tensed up and I grunted as my cock twitched and released a full load of hot creamy jizz into Selena's sweet young mouth. As she gulped down my gooey sperm, she took my cock out of her mouth continued to wank my spasming knob, squealing excitedly as more sticky jizz jetted onto her face, neck and tits. "Keep it coming lover, keep it coming," she gurgled, "cover me in your cream", added the 18-year-old slut. Squeezing my bell end she eagerly lapped up what was left of my spunk and polished my sticky cock clean with her tongue.

Getting to her feet, Selena sluttily wiped her semen-coated lips with the back of her hand. "Now take me to your bed and fuck me!" ordered the horny young strumpet. On the way upstairs to my bedroom, I playfully spanked her taut bare bum cheeks and sneaked a hand between her legs to feel up her hot wet pussy.

"Naught boy" she giggled as I fingered her juicy slit. She smirked as she lay back naked on her my bed and spread her legs wide open, displaying her near hairless pink pussy in all its glory. "Come and play with me" she smiled as I joined her on the bed.

I ran my tongue over Selena's hard pink nipples and the horny young tart murmured in delight as I nuzzled her firm tits.

"Lick out my cunt – I want you to taste my pussy!" Selena urged me. Well I wanted to as well, and so after licking my way down her lithe body I stuck my face between her firm thighs. I rubbed her sensitive clit with my thumb whilst I burrowed my tongue inside her fleshy pink hole and ate her out for all I was worth, causing her to scream and thrash wildly on the bed as what seemed like several powerful orgasms pulsed through her tight young body, the girlie come gushing out of her sodden twat and

DEAR TEENS UNTAMED,

I cannot possibly describe how turned on I was when I had the pleasure of seeing the magnificent Surina in all her glory in your latest issue. A gorgeous, sexy medical student, Surina told us that she pulls the wool over her parents' eyes by behaving like a prude young lady at home, but is actually a very rude sex kitten when she's out. If all sexy young girls were like her us guys would be in heaven! Well done Surina – don't let your fuddy-duddy parents stop you enjoying sex and experience the thrill of spreading your lovely thighs and showing your magnificent cunt for all of us guys!

Girls with beautiful bodies like Surina should show themselves off unashamedly and with pride. When she finally passes out as a doctor I want to be her first patient – you show me yours and I'll show you mine!

Alan, Hull

into my welcoming mouth. By this time my cock was restored to full hardness and wrapping her thighs around my waist, I nudged the swollen head of my fresh erection between her slippery pussy lips.

"Put it in me," pleaded Selena, "Fill my cunt with your cock and fuck me hard", she whimpered. She let out a long moan as I slid my rock hard cock all the way up her tight, hot hole, stretching her pussy walls to their very limits. As I shafted her, driving my cock hard and deep inside her hot little cunt, Selena locked her legs around me and pressed her hands down on my buttocks to get my knob as far inside her juicy little fanny as possible.

As I pummelled her pussy, her cries and screams of pleasure grew louder. A few minutes of hard shafting later I groaned as my cock twitched and a massive load of hot jizz squirted deep inside her juiced up pussy. As my hot seed filled Selena's twat, the dirty girl squealed as he climax overwhelmed her firm young body. As I pulled my cock out of her, another surge of sticky white come shot over her pussy lips and splattered her firm stomach.

About a week later, my son found himself a new girlfriend; nothing to do with me screwing Selena, I hasten to add. She still visits me at least once a week for sex. As a 39 year old bloke I'm certainly not complaining about regularly bedding a horny 18-year-old girl!

Craig, Aberdeen.

♣ STUDENT ♣

South London cutie Danni looks like she's got the right sort of idea when it comes to bathtimes…

"At home I still share a bedroom with my younger sister, so it's really difficult to find the opportunity to spend a bit of quality me time on my own. The bathroom's the only room in the house with a lock on it, so it wasn't long before I realised that that was the best place for me to have a frig!"

Very sensible too – so what's your typical bathtime routine, then?

"Oh, it depends how much time I've got, but usually once the bathroom door's locked I like to shave my pussy before I get in the bath – otherwise you get a load of stubble floating around in there with you! Then, once I've rubbed a bit of baby oil in I'm usually nice and turned-on, and I get in the bath and play with my clit for a bit – just teasing it gently at first. Finally it just so happens that my favourite shampoo comes in a bottle with the perfect shaped neck to shove up my slit, so I'll usually bring myself off with that!"

Talk about good, clean fun!

MARC DORCEL'S RUSSIAN INSTITUTE LESSON 16: LOLITAS
Starring: Cindy Hope, Anna Polina, Carla Cox, Nikki Sweet, Ally, Ferrara, Caprice.
Directed By: Herve Bodilis.

Argh – the stud's head's fallen off!

Apparently I have finally proven myself to the Editor. Or at least, that's what I figure must have happened as I catch the Eurostar over to France to report on studio Marc Dorcel's latest blockbuster, *Russian Institute: Lesson 16: Lolitas*, which is quite possibly the most exciting thing that's happened to me. I've come to this conclusion as the most exotic location I've been sent to up until now was Devon, and now I find myself in a taxi driving through the beautiful French countryside. I try not to think too much about the shoot I'm about to cover – Marc Dorcel's pornos always feature the hottest girls, and as today's are a complete surprise my imagination could get carried away, so I chat away to the cabbie, or at least I try to in my broken, GCSE French.

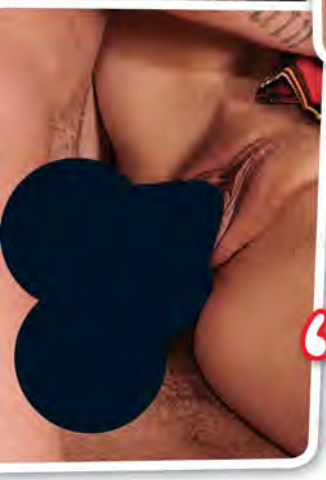
As the car pulls into the driveway, I can't believe my eyes; the location is absolutely breathtaking. The winding, tree-lined drive leads past perfectly manicured lawns and the most awesome mansion I have ever seen. I self-consciously tuck my shirt in and smooth my hair down in a pointless attempt to make myself look slightly smarter.

After being greeted at the door by a youngish French guy (who turned out to be the runner) and being ushered into a spacious dressing room, the first sight I have is of the new Czech starlet on the block, Ferrara Gomez, having her make-up done. I recognise her from some Paul Raymond mags, although in the heat of the moment (alright, the heat of my moment) I forget which ones. She is stunning. She smiles at me and says hello, but I feel my mouth instantly go dry, and all that comes out of my mouth is a croak. Great.

I am then introduced to this morning's model, Hungarian superstar Cindy Hope, and suddenly I am so star-struck I can hardly remember my own name. Thank fuck the runner, who introduced us, knows who I am! I'm pretty sure that for the entire time I'm in that dressing room I barely breathe let alone speak, and what does escape my mouth is garbled, one-syllable nonsense. No wonder Cindy doesn't fall madly in love with me there and then.

Politely excusing myself (well, I think I actually mutter something about having to go and see a man), I make my way down the grand hallway to the library, the setting for

Nope, just a whole lot of pleasure!



disappointed. Cindy is dressed in typical school-garb; plaid skirt, white shirt, tie, blazer, black tights and cute white socks, and she looks fucking horny, if a lot shorter than I expected (it turns out she's 5'4"). I shift uncomfortably, praying my cock doesn't decide to sit up and take notice at any point today. I watch as the scene starts – Alex (wearing a purple, crushed velvet jacket, no less) sits at a desk marking homework, when Cindy saunters in. Hardly a word is uttered between them, but of course it doesn't matter – Cindy sits on the edge of his desk, her already shorter-than-short skirt riding up even higher, and I strain my neck to see her panties. Although why I'm straining when it's all about to come off, I don't know!

It takes only a few seconds for Cindy to sprawl across the desk to kiss Alex, her skirt riding up for the camera and I feel a stab of jealousy towards him. After a bit of snogging and fumbling, Cindy gets his cock out and does what every man in the room wants – she wraps her luscious lips around his shaft and swallows the lot. The room is silent apart from her noisy slurping and moaning, and my dick begins to wake up.

After a while, Alex takes the initiative, bends Cindy over the desk and, in the horniest moment of the day, rips open the crotch of her tights, pulls her knickers to one side and proceeds to fuck the life out of her, doggy-style. I take a mental picture for later and as I do so, I silently thank Herve for his advice on where to sit. That'll keep me going for ages!

They change position and I eagerly sit forward in my chair. As I watch Cindy impaling herself on his cock, reverse cowgirl, for the first time today I imagine myself in his position. This is partly helped by the fact that I can't see his face, but mostly due to the sight of Cindy's firm boobs bouncing gently in time to his member disappearing inside her obviously juiced-up pussy. He screws her harder and I realise I have a raging boner – hardly surprising under the circumstances, but not exactly professional. Us pornographers are supposed to be blasé about being on set, but as I look around, I notice that everyone in the room is also transfixed by the raw, animalistic view in front of us.

"Alex bends Cindy over the desk and rips open the crotch of her tights..."

Ms. Hope's scenario. I find the crew setting up the lights and cameras and I wander over towards director Herve Bodilis, hoping to have a quick chat with him about the shoot.

He turns out to be a really nice guy, explaining the concept behind the Russian Institute series and showing me where I should sit during the shoot, to get the best view and not be in anyone's way. I appreciate the tip, having had the action blocked from my eye-line on more than one occasion in the past.

Today's shoot, despite Herve trying to persuade me otherwise, is a pretty simple affair (pun not intended); a stud named Alex is playing a headmaster who is seduced by a student, played by Cindy. Not that I expect the lack of storyline to matter much. I mean this is Cindy Hope we're talking about! I settle down in my seat to enjoy the show, as the talent appears on set, and I'm not

The rest of the scene goes quickly, and is a bit of a blur, to be honest. They end up back on the desk and he shoots his load all over her beautiful, shaven cunt – I remember the globules landing on her ripped tights and running down her bald lips and I think I always will!

After being ushered back into the dressing room so the crew can set up for the next shoot, the runner appears again and offers me a drink. I accept a beer and, looking across the room at Ferrara who is now kitted out in her sexy little uniform, realise that I am a bit of a lucky bastard, after

all. Feeling a bit braver than earlier, I try to catch her eye to start a conversation and fail miserably. I'm considering going over to introduce myself properly, when the male talent for the afternoon arrive in the shape of two 6'ish studs, Leny and Martin. I reconsider trying to chat Ferrara up and disappear to find out where the next location will be.

It turns out to be in an elegantly decorated 'study room', and again Herve spots me lurking and directs me to a chair he already has positioned for me. What a thoroughly nice chap! I feel like a kid at Christmas,

"She sucks and gags on each cock, clearly loving every second of it..."

having already stored away enough wank-material for months thanks to Cindy, and now preparing to watch another porn goddess taking on double the dick! Just as I have this thought, Ferrara appears on set and I smile to myself as she flirts away with her co-stars. I've heard that she's a filthy minx, but I've never seen her in action.

After some messing about, Herve claps loudly and yells, "action!" – yes, they really do say it in real life – and the cast get down to business. The scene starts with them practising languages, which involves a lot of finger sucking (don't ask) and although there's not really much dialogue, it turns out to be one of the funniest things I've seen! Ferrara, it turns out, has a wicked sense of humour and has the two guys cracking up with every take. A number of attempts later, they finally make through the intro and get down to business.

Ferrara wastes no time in getting both the blokes' cocks out, wanking them hard before sitting between them and enthusiastically gobbling away at each in turn. I'm no expert, but I've seen a fair few girls give head and Ferrara is one talented lady. I study her as she sucks and gags on both cocks, clearly loving every second of it as strings of saliva form and break. She has the sort of pretty face that you just want to come all over, I decide. I'm just beginning to imagine myself in the place of one of those stunt-cocks, when she stands up and announces that she wants some dick now, please! Wow!

As she lies back on across the desk, a prick pummelling away at her fanny, another being wanked tightly in her hand, I wonder what it would take to keep a girl like her satisfied. And as she moves them to the sofa and invites one of the lucky fuckers to do her in her arse, I wonder if I would be up to the job. I'm impressed to notice that despite having her tight little pucker hole being banged away at so hard it makes her pert little tits wobble in time, she never loses her rhythm with her wanking hand, and when her arm eventually begins to get tired she simply urges the owner to hop on top and DP her. I think I'm in love!

I'm not sure I move a muscle for the next half an hour, as the guys take it in turns to simultaneously shag Ferrara's pussy and arse, as she moans, groans and giggles all the while, continuously urging the studs on, until they finally spray their muck over her peachy arse. It has to be one of the sexiest moments I've ever witnessed, made all the more horny by the fact that, despite her enthusiasm, my new-favourite pornstar doesn't even break sweat! Unfortunately, I haven't proven myself to the Ed enough to deserve an overnight stay, and as I mull over the day's events on the Eurostar back to Blighty, it occurs to me that nobody I met today was actually Russian, but who cares?

How's this for a sight for sore eyes?

Hmm, I wonder what's going on behind that blacked-out bit...?

Cheeky Huddersfield babe Jenny's a bit of a live wire and no mistake! As soon as she arrived for this shoot she couldn't stop chattering away about this, that, and, of course, a lot of the other. Or t'uthah, as she'd have said herself.

After telling us all about her journey while she was having her hair and make-up done (it was quite good, if you were wondering – and not too expensive because she'd booked it a few weeks in advance) she moved on to the last time she'd been in London (it was a school trip two years ago).

Finally, once she started taking her clothes off and posing things got a bit more interesting. Apparently she's only shaved her pussy for the first time a couple of days earlier, but might just keep it that way from now on because her boyfriend has hardly stopped licking her out ever since.

Well we can't blame him for that – especially if it shuts her up!

Our serial tugger O-Real rounds up the best of recent teen-themed releases. He won't give us the DVD's back though, oh no...

Rocco's Psycho Teens

(Evil Angel/yourchoice.co.uk)

If there's anyone out there who's qualified to give a selection of dirty tartlets a right going over on screen, it's Rocco Siffredi, one of the most feted cocksmen of his generation. This flick, somewhat unsurprisingly, sees the great man himself and a selection of his knob-wielding chums, poking their way through some of the finest looking newbies on the scene and, as you might expect, is trouser tenting stuff from start to finish. Jessica Rox sets the bar pretty high, dusting away in a skimpy French maid's cossie before Rocco finds Jessica Neight hiding behind a curtain and, well, gives them both the full Rocco treatment. As for the double dickings Anastasia and Dulsineya get, well it has to be seen to be believed. Rocco's still got it, that's for sure!

Young Sweet Muffins 3

(Adam & Eve)

Fears that this might of been some sort of spin-off from the *Great British Bake Off* were largely eased when I saw the box art for the DVD, which features a quartet of cute young flampers who don't look like they'd have the first clue about what to do with a rolling pin (other than shove it up their twats, perhaps), and were finally lain to rest when I slotted it into the machine and saw that said young flampers were far more interested in opening flies than in baking pies. With four hours or so of cute fanny action (featuring no fewer than 11 sex scenes), this compilation promises plenty of bangs for your buck, with particular highlights for this reviewer being Adriana Nevaeh's more than thorough seeing-to and Brooke Lee Adams playing a cute collegian with a penchant for her professor's prong.

Pretty Filthy 2

(Elegant Angel)

The first instalment of this series passed me by, so I couldn't tell you if every scene featured Tori Black or not, but she crops up in every coupling (or tripling) here, and while it can get a bit tiring to see the same girl over and over again, in the case of Ms Black I'll happily make an exception! In the first scene she shares some lucky bloke's cock with Andy San Dimas, and takes a very good back-scuttling along the way in what turns out to an especially wanton scene, but it's the second, in which Tori takes her first on-screen DP, that marks this title out as a must have. She's one of the horniest babes in the business, and even the studs don't seem to be able to believe their luck as they're banging away at her!

A Girl's Best Friend 4

(Girl + Girl Productions)

Whoever wrote the screenplay for this series was either having an off day, or else had a lunch appointment and didn't want to waste too much time before he got there – every scene follows exactly the same theme! Luckily, though, the theme in question involves a couple of cute teenies lezzing it up, generally with the help of a vibrator up the arse and another one concentrating on the clit. So really the question is, do you fancy sitting through six couplings that follow that synopsis completely? Personally I could have done with a bit more variety, because the thing is once a girl's got a vibe up her arse and another on her clit, she tends not to be too animated, whereas I like to see them hopping about all over the place.

Ben Dover's Cherry Poppers

(Adult Channel Uncut)

Since he started out in the business Ben Dover's probably fucked more Brits than the last three recessions put together, but despite rumours that he'd tired of the porno scene and wanted to go straight, there's scant evidence for that in this movie! In typical Dover style, we join Ben *en route* to his first assignation, driving a vintage Mini convertible to Lou Lou's gaff – Lou Lou being a chesty blonde who's expressed an interest in sampling some old cock (why she didn't just get in touch with me I don't know). Ben's soon tucking into her nadger before he plunders it from behind, finally splashing off over her mush. There are three more scenes to follow – plenty rude, but I can't help thinking the girls' cherries were already very well and truly popped long before Ben got there…

Wet And Dripping

(Viv Thomas)

It's not just red-blooded men who like to knock one out once in a while – horny young girls love it as well! if you don't believe me, proof comes in the form of this latest DVD from Viv Thomas, which is crammed full of ever so horny young babes wanking themselves silly in the comfortable surroundings of Thomas Towers. To begin with there's Nicole Smith, who gets herself in the mood with a dip in the pool before whipping off her biking to reveal a firm, inviting bod and frigging herself silly, and she's followed by a handful of other cuties who just can't help getting wet – showers, baths, that sort of thing – before flicking the bean until they're done. Masturbation flicks like this are a bit old school, but still worth sticking with when they're done well!

18 Year Old Pussy 16

(Devil's Film/yourchoice.co.uk)

Not to be confused with 16 Year Old Pussy 18, which we wouldn't dream of reviewing in a respectable magazine like this one! Rather curiously, this one opens with what turns out to be the most intense scene of the whole flick; gorgeous blonde Bella's not too shy to get us in the mood by reaming her own arse with a great big dildo, and once we're all nicely warmed up she's joined by a couple of eager studs who, well, fuck her every which way imaginable. Loads of close ups of cocks sawing in and out of her, followed by a filthy cream pie ending mark this out as a scene to return to again and again. The rest of the film ain't too shabby either, although it's really the opener that puts it in the 'must see' category.

Spanish Teen Sluts

(Private)

Nothing to do with a particularly exciting week spent in Shagaluf, this is, rather, a compilation of Private scenes that happen to feature comely young Spanish cock-gobblers, kicking off with Sonia Baby in a risibly dubbed opener that starts off with a helicopter coming in to land and ends with blonde Sonia getting duffed up the jacksie so fervently it made my eyes water. Shame they couldn't have reinstated the original soundtrack, though, given the Spanish theme. Monica Vera, in the next scene, is a real cutie, who cheers herself up after a hike in the rain by getting pronged stupid by her two male co-hikers. Cracking stuff, and there's loads more to come, including the ever horny Rebeca Linares. ¡Olé!

God bless the good old corner shop - somewhere where you can just pop along and pick up whatever it is you need – a paper, some milk, a bottle of some kind of whisky you've heard of before… oh, and a naked 18 year old flamper cavorting about like she owns the place! That's what we found when we got along to this shoot, in any case! Interesting choice of venue for a shoot of this kind, but Anna wasn't letting it put her off…

"I work here a few hours a week," she told us, "and when I told my boss I was toying with the idea of doing some modelling he said I could use the shop. Well, it seemed like a pretty good idea to me. Personally I think shops like this could do with a bit of sexing up, so I'm going to start doing my bit right now!"

And that's what she did! Thankfully she had a mate on hand to watch the door to make sure there were no customers coming, although from what we could see he spent a lot more time eyeing up her shapely bod than actually checking the street. Not that we'd have done anything different!

Music student Faith helping to pay her way through college by doing a bit of busking here and there, (she plays the cello) but luckily enough for us for us that's not the only leg-opening activity she's happy to turn to to make a few extra bob on the side…

"Ha, I hadn't thought of it like that, but you're right – my two main sources of income involve opening my legs! And, now I come to think of it, my two greatest sources of enjoyment as well!"

Well that prompts the question as to how much these particular activities provide enjoyment for others?

"I'm a pretty good cellist, for starters, so I'd like to think the audiences enjoy that! As for the other, well I'm probably not the right person to ask, but I haven't had any complaints from any of the guys I've been with. Far from it, they're generally begging for more, which is the kind of encore I like best!"

Fair enough, and I think we can safely say that on behalf of all our readers, we'd like to give you a standing ovation. But enough about the cello – how about giving us a quick fiddle instead?

ABIGAIL QUICKLY FOUND HERSELF GETTING LESSONS ON MORE THAN DRIVING FROM AN OLD FAMILY FRIEND – NOT THAT SHE WAS COMPLAINING...

My parents had me young, so they were surprisingly cool growing up. They had an active social life so there were always people round at our place for some gathering or other. Their friends were great – they never minded my brother and I hanging around, and often babysat for us when needed.

Last summer I decided I desperately needed to learn to drive, and like most teenagers I couldn't afford lessons, but wasn't about to ask my Dad to teach me the basics – he'd do my head in. That's where his mate Frank came in.

Frank lives near an old, disused airfield, perfect for learning to drive on. He'd been a friend of my parents' for as long as I could remember and despite calling him 'Uncle Frank' as a kid, when I hit my early teens he suddenly became attractive to me. By the time I had my first boyfriend at 15, I spent hours confiding in my diary that it was Frank I thought about when we kissed, and would daydream about one day marrying this older man. Frustratingly, he had never shown any interest in me, but I couldn't help continuing to fantasise about him.

The next time Frank came over to see Dad, I wasted no time in asking him whether he'd teach me to drive. I knew he couldn't say no to me, so wasn't surprised when he said he'd pick me up the following Saturday at 10am.

I was so excited when Saturday arrived that I had been up, preening myself for hours by the time 10:00 came around. Frank showed promptly; he was looking as sexy as always in a casual shirt and jeans, and I felt myself blush slightly. He greeted me by ruffling my hair – something he knows I hate – and I responded by punching his arm, messing about as we always had. Dad jokingly wished Frank lots of luck, told me that I'd be paying for any damages to the car myself, and with that we were off.

Once we reached the airfield, Frank pulled the car over and killed the engine. "Right," he turned to me, "these are the rules; you listen to me, follow what I say as best you can, and if I say stop, you stop. OK?" I nodded, grinning inanely. Frank winked at me and got out of the car, which I was thankful for as I was now blushing profusely. I jumped into the driver's seat, snapping my seatbelt in and adjusting the seat and mirror. Frank grunted with approval before going on to explain how to start the engine, how to use the clutch and gears, and within five minutes I was having my first lesson!

I picked it up quickly and I was soon bombing around. I was not only loving the sense of impending freedom that learning to drive gives you, but also the praise Frank was lavishing on me.

Unfortunately, with my new confidence came a certain amount of cockiness, and I started to show off, completely misjudging the distance of a low brick wall and ploughed straight into it. Luckily, I wasn't going fast enough to cause much damage; there was no more than a mark on the bumper.

Frank seemed more worried about me than his car, reassuring me that it could be fixed but I was so embarrassed that I burst into tears. Frank put his arms around me and pulled me in close, stroking my hair to calm me down. I breathed his scent in, enjoying the warmth of his body against mine. As I sniffed back the tears, he cupped my chin in his hands and kissed me softly. I was gobsmacked! I responded by kissing him back, running my hands up his back and pulling him in even tighter to me. He kissed me deeper, his tongue snaking its way between my lips and exploring my mouth. I felt my juices start to flow – this was everything I had fantasised about for years!

Suddenly he pulled away, but instead of looking guilty, he grinned. "I've been wanting to do that for so long!" he whispered, pushing a strand of hair behind my ear.

I returned his smile, my legs turning to jelly and replied, "Me too..." I shivered involuntarily, and Frank insisted that we get back in the car.

This time I sat in the passenger seat and as Frank got in he immediately leant across and kissed me again, more urgently this time, his hands wandering down to my boobs, squeezing them and causing my pussy to tingle. He lifted up my top, pinching my nipples before sucking on

them gently, making me moan aloud. It felt so good; only two boys had sucked my tits before and Frank was so much better than either of them! I leant back and enjoyed the sensations running through my body, but when I felt Frank's hand slide down between my legs and up my skirt, I tensed up. No one had ever touched me down there – having my nipples sucked was the furthest I had been, but I wasn't about to tell him that.

Frank snogged me again, and, making myself relax, I parted my legs to allow him access. He pulled my knickers to one side and began to rub gently around my clit. I felt a fluttery feeling in my stomach and knew I wasn't far off coming (I may have been a virgin, but I had played with myself!). Frank must have sensed it, too, because he pulled my legs further apart and dipped his finger inside my juicy fanny. I gasped with surprise, then again as he inserted another digit and started moving them in and out of me. I felt my climax come over me in waves, my muscles contracting as I gasped for breath.

Then, all too soon, my orgasm subsided, leaving me feeling somewhat dazed. Frank wasn't about to leave it there, though, and as I caught my breath he got into the back of the car, asking me if I would like to join him. I didn't hesitate, jumping over the seats as he undid his jeans and pulled them and his pants off, his huge dick springing to attention. I was slightly scared, to be honest – I had touched my ex-boyfriend's, but not for very long and nothing much happened, really. Now, here I was with an older, experienced man, who wanted to screw me!

Frank encouraged me to lick his cock, and not wanting to seem like a prick-tease, I lowered my head for my first taste of cock. I licked it a bit and then put it in my mouth, sucking on it like Frank told me to. This seemed to turn him on even more and he grabbed the back of my head, pushing his dick further in. My eyes were watering, but I was determined to keep going for as long as I could, then all of a sudden, Frank pulled me away from his dick and laughed, "Woah! Nearly! I don't want to come yet, I need to fuck your cunt!"

His words shocked me a bit and I didn't know what to say, but I needn't have worried. Frank gently pushed me back on the seats and, pulling my pants off and pushing my knees apart, he lay on top of me, snogging me as he did. I was so turned-on; I couldn't quite believe I was about to lose my virginity to this older, sexy man! I felt Frank's dick bob against my fanny and prepared myself for the pain I had been warned about. As he pushed his big dick inside me, it didn't hurt at all – it felt amazing! He kept pushing until I felt completely full, and when he pulled out and repeated it I thought I was in heaven!

He groaned, picking up the pace a bit and making me feel like I was going to come all over again. I couldn't help moaning every time he thrust inside me, it felt like nothing I'd ever experienced, and when he changed the tempo slightly, I thought I might explode with pleasure! As I felt my second orgasm hit, my entire body began to shake and I yelped with delight, which spurred Frank on more, increasing his speed and power. Soon he was pummelling away at me, making my ongoing climax even more intense, when he suddenly yelled, "I'm coming! Oh God, I'm coming!" and I felt my first hot jet of spunk shoot into my pussy, filling me up.

I came clean to Frank about taking my virginity the next time we met up. He said he felt bad, but I think we're both secretly happy that he was my first. A year on and we still meet up regularly for a quick fuck. He's taught me all sorts of tricks, and I'm definitely no longer inexperienced! Oh, and in case you're wondering, no, Dad doesn't know – it's our dirty little secret!

"He pulled my legs apart and dipped his finger inside my juicy fanny."

Kortney, in case you hadn't noticed, isn't too backwards in coming forwards – in fact she's so in your face it takes a bit of getting used to. And we're not just talking about her shoving her succulent snatch in your face, either…

"Life's too short to beat about the bush, that's what I think!" says the Essex-born babe. If I see a bloke I fancy, I'm not going to act all coy in the hope that he'll notice me – I'll go over and introduce myself. It tends to work pretty well that way, and it means I always end up gong home with someone I really fancy. Some of my friends who like to play it all cool sometimes think I'm a bit over the top, but then I think they're mostly just jealous!"

Hmm, so what sort of guys do you go for, then?

"Oh, all sorts, really! Although you can't beat a good body, can you? Conversation's all very well, but once you're in the sack I'll take a nice muscly torso and a big cock over a sense of humour any day of the week!"

Hmm, maybe it's time to get down the gym after all, then!

Typically, when we set out for a secluded beach we know to take these pictures with Francesca it was a lovely sunny day, but when we got there about 40 minutes later it was decidedly overcast. So what to do? Luckily the girl herself was feeling far too frisky to knock the whole thing on the head, and proceeded to peel of and roll around on the sand almost before we'd finished setting up! She looked rather at home, too, which prompted us to ask if she's got a bit of a thing for alfresco fun…

"I grew up near the seaside," she said, "and practically all my mates had their first experiences in the dunes. In fact it became a sort of joke among us. if anyone was feeling horny, they used to say, 'I fancy a bit of sea air' and we all knew what they meant!"

Ah, the joys of the British seaside! So does the reverse apply – does being near the sea make you feel horny?

"I'm already naked and playing with my pussy – doesn't that give you a clue?!"

D'oh, we guess it does!

NAME: Abbie
AGE: 19
STUDYING: Drama

♣ STUDENT ♣

Nineteen year old cutie Abbie reckons she was born to perform, but we couldn't help wondering if playing with herself in front of our cameras felt anything like being in a chorus line or having a stab at Shakespeare…

"Not really!" she giggled. "I mean, yes, I guess I'm still performing, but it's a very different sensation. I mean when I'm doing something on stage, there's always the fear that you might muck it up somehow – forget your lines or something, but here I don't really have that problem, do I?"

So you're saying that it's actually easier to get your fanny out and play with it for us than it is to perform in a play?

"In a way, yes! The thing is, once I start playing with my pussy it's quite easy to forget that there's anyone else in the room – and what could be easier than having a little wank? It's the most natural thing in the world after all, and if you guys weren't here I'd probably be doing it anyway!"

Oh, so you like to play with yourself pretty regularly, do you?

"Doesn't everyone?! God, I have to have a little wank at last once a day – sometimes two or three times!"

Well we're with you on that one!

things in order.

I actually got things done quicker than expected and since my bus wasn't due for a while I had time to kill. Excited about my holiday I logged on to the Internet to find out more about the resort I was going to be visiting the next week.

Of course, being an open-minded girl with internet access and no one around I soon found myself visiting a couple of porn sites. I'm not a lesbian but I like looking at pictures of other women, especially when guys with massive cocks are fucking them!

I'm not ashamed to admit that while I looked at more dirty pictures my hand went down the front of my knickers. As I flicked through a selection of images I massaged my fold, occasionally pushing a finger even deeper inside.

Pretty soon a combination of the porn and my own handiwork had me in a frenzied state. I was nearing orgasm and being alone in the office I could voice my satisfaction very loudly.

As I rode the climactic crest I screamed as the top of my voice, engulfed by the sheer pleasure.

Then I was suddenly brought back to earth as the door flung open and Brian, one of the guys from the yard, said, "Lisa, are you OK?"

We both looked at each other with startled glares. When Brian had registered what I was up to a smile came to his face.

"You dirty little cow!" Brian chuckled as my face turned red.

"You won't tell anyone, will you?" I asked, hoping he wouldn't.

"That depends," he replied, gripping the front of his jeans.

I knew what he was implying and had I not been so sexually charged I would have told him to fuck off! But I was in the mood for it, he wasn't a bad looking bloke and I thought it would put me in the right mood for my holiday. So I thought 'what the fuck?', stood up, walked towards him and replaced the hand on his groin with mine.

Brian looked a bit startled at first but when he realised I wasn't teasing him he pulled me close to him. He ripped my blouse open to reveal my bra. Then he lifted my skirt and tried to pull down my knickers.

It was all a bit awkward but he eventually had my knickers round my ankles while I unbuckled his belt. I dropped to my knees, pulled down his flies and fished out his cock. With his beam in my hand I slowly wanked him off until he was solid. Then I looked up, smiled and began to circle my tongue around his helmet.

"Oh yes, you little slut," he groaned as I ran my tongue up and down his shaft.

I sucked on his dick for a good five minutes before he told me to stand up. Being so big and strong, he lifted me up in the air and I repositioned my legs around him. Then he lowered me until his hard prick skewered my moist snatch.

I shivered as my wet pussy slid down over his cock. My petite frame was nothing for him so I bounced up and down, controlling the rhythm at which we fucked. Occasionally I would buck backwards and forwards just to heighten the pleasure.

After a while Brian must have been feeling the strain so he moved us both over to by my desk and lowered me on to it, still keeping his prick inside of me. With me on my back it was now his turn to control the tempo. Every thrust sent a shiver down my spine. Brian was a big man and had a lot of power to put behind his thrusts.

Pretty soon I was wailing at the top of my voice again. This time the moans were longer and more satisfying, much like the orgasm that soon followed.

It took Brian a bit longer to finish off but when he did my vagina was flooded with his cum. As he pulled out a gush of juices trickled out on to my desk. I'd have to get that cleaned up before we left.

As I remained sprawled on my desk, Brian tidied himself up and promptly left. But not before wishing me a good holiday. I was going to need it after that!

Lisa, Barnsley.

DEAR TEENS UNTAMED,

I've just started working as a secretary for a small builders' merchants and, as you can imagine, I come into contact with a lot of rugged builder types. Being a natural flirt I'll go along with their banter but I never go too far. Or at least I didn't until the other day.

It was a Friday afternoon and everybody usually goes home early, or rather all the blokes go to the pub and I nip in to town to do a bit of shopping. However, I was going on holiday the next week so I thought I'd stay behind and get a few

DEAR TEENS UNTAMED,

I wanted to write in to say a big thank you for all the good work you do in getting some of the cutest teenies on the planet to take their clothes off and share their loveliness with us lucky readers! Over the last few issues there have been several stunners who I'd happily give my hind teeth for a few hours of fun with – in the latest issue Debbie, Scarlett and Tara were all utter babes, and I'm hoping there's bee a good few more in the next issue! Please carry on tracking down these gorgeous girls – you're keeping at least this reader very happy indeed. *Mike, Slough.*
